For more information:

Phone: (484) 446-3059

Email: hthc@paaap.org

What your practice will learn:

- The importance of good oral health to overall health, especially during pregnancy
- How to encourage pregnant patients to visit the dentist
- Basic dental disease etiology and prevention

“Oral health is an important component of general health and should be maintained during pregnancy and through a woman’s lifespan.”

*– ACOG Committee Opinion No 569, August 2013**
